**BMR Suspension Harness Crotch Strap for S650 Mustangs
HCS760 - \$59.95**

Provide a solid mounting point for the crotch strap for the harness in your 2024 S650 Mustang with a Harness Crotch Strap Bracket from BMR Suspension. BMR's Harness Crotch Strap (HCS760) allows you to firmly secure the crotch strap for your harness using existing bolts for the seat track. Constructed from 1-inch steel tubing and laser cut 3/16-inch steel plates, the HCS760 is designed to provide maximum durability while adding minimal weight. BMR engineered its Harness Crotch Strap to blend in well with the interior of your S650 and designed it for drag and road racing applications. The HCS760 is available in red or black hammertone powdercoat for long-lasting good looks. Installation time is less than an hour. Proudly made in the U.S.A.!
