

FOR IMMEDIATE RELEASE

**BMR Suspension Differential Hardware Upgrade Kit for S650 Mustangs  
RH017 - \$39.95**

Launch harder and add strength to the upgraded differential mounts on your 2024 S650 Mustang with a differential hardware kit from BMR Suspension! Factory differential hardware can bend or break when big power is applied to the tires. BMR's Differential Hardware Upgrade Kit (RH017) features Grade 12.9 hardware for the ultimate in strength and durability. The RH017 allows for hardware failures to be kept to a minimum and improves your S650's reliability on the track. BMR has designed the RH017 for street performance, drag racing, and handling applications. Available zinc-coated for long-lasting good looks. Installation time is about 3-4 hours. Proudly made in the USA!
